Thank you to TRCREATIVE for the design of this Annual Review.

JOHN DUNNING
President

Presidents Introduction

It has been a pleasure to once again serve as your President over the past year.

Although the role of President is largely an Ambassadorial one and does not require me to get involved in day to day operational activities, there are a number of duties that I am required to undertake, such as representing the Chamber at the British Chambers of Commerce Regional Assembly, attending local events such as the Nantwich Show, the Nantwich Food Festival, the Remembrance Day Service, the Chamber Business Awards and of course chairing the AGM.

In addition, I am expected where necessary, to be on hand for the visits of Government Ministers, MP's or other dignitaries plus the odd radio interview.

Perhaps the most important duty however, is as Chairman of the Chambers Business Council which comprises of the areas larger employers, Further and Higher Education establishments, Cheshire East Council, the Crewe Town Board and Crewe Town Council.

It meets every six to eight weeks and its purpose is to play a leading role in shaping future economic strategy by providing focus from a business perspective in order to influence investment decisions that will achieve sustainable economic growth.

Given the recent disappointing announcements about HS2 and the Governments Levelling up Fund, the Business Council and the Chamber will no doubt be facing a very busy year ahead and I look forward to playing my part.

John Dunning

DR DIANE WRIGHT
PhD MA BA (Hons)
Chair

Welcome from our Chair

2023 has been a pivotal year for the Chamber following the implementation of our new strategy last year. Clearly, our members are enjoying the benefits of the added value and bespoke service that we offer, and this year we plan to developing this strategy further in support of our members.

This year we have also successfully driven the Local Skills Improvement Plan that has brought businesses and training providers together to identify skills required for the development and economic growth of our region. We have recently secured further government funding that will be used in the coming year by our local colleges to fulfil the objectives laid down in the Local Skills Improvement Plan.

Our commitment to creating partnerships on behalf of our members has paid dividends and this coming year the Chamber will be building on the good work started by the Town Board by driving a vision for Crewe through collaborative working across the region. We are not the only organisation to have faced difficulties these last few years, but our commitment to driving a vibrant business community through collaborative partnerships is paying dividends – we look forward to a prosperous 2024 for all our members.

PAUL COLMAN
Chief Executive

Welcome from the Chief Executive

South Cheshire Chamber continues to go from strength to strength, with membership numbers growing and our influence on the local economy increasing. We are the number one business network in South Cheshire and this annual review shows the support we provide individual businesses and the impact we have locally.

As the CEO of the Chamber for over 11 years now, I still consider it to be a privilege to work with our board and my team helping local businesses and engaging with the public sector to drive this region forward.

It's been a crucial 12 months for the Chamber. We've changed our brand, identified new benefits and services, and introduced new membership packages adapting to the needs of our local businesses. The Chamber team is dedicated to support you

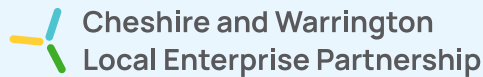

with representation, international trade, benefits, and numerous events to meet the needs of our diverse business community.

The Chamber was also appointed as the Employer Representative Body (ERB) to deliver the Government's Local Skills Improvement Plan (LSIP) across Cheshire & Warrington. This is an important role in helping businesses and educational establishments to work more closely together so they can meet the needs of the local economy.

The Chamber team and I will continue to help our members as much as we can, whether that's through direct benefits, engagement activity or pushing local and national government to provide the environment for our businesses to prosper.

REPRESENTATION

The Chamber liaises and works with the following institutions

Raspberry Business Support - Julia Allpress, Owner

I have only recently joined South Cheshire Chamber of Commerce and have found the members and the Chamber team to be very welcoming and supportive. I can't fault the experience, there are so many opportunities to get involved, through networking and training as well as the legal support and templates available with the membership. I have already made some great new contacts, and met some old friends, and am looking forward to growing my business.

Zen Occupational Health - Karen Mills, Director

I really enjoy being a member of the chamber, it's a friendly supportive place to connect with like-minded business owners. I have attended lots of their events and sales geek training this year. Zen Occupational Health are based in Crewe and it is important to me to meet local businesses to see how I can support them. I will continue to attend and enjoy the events as I believe they add value to me and my business.

Everything Dinosaur - Mike Walley, Managing Director

Everything Dinosaur has been a member of the South Chamber of Commerce for many years. We have found their support and assistance very helpful as we have grown our business. In particular we have relied upon the Chamber to advise over exports. The Chamber provides us with a network of like-minded business contacts.

Aqueduct Marina - Robert Parton, Managing Director and Owner

I value the local contacts made from attending Chamber networking events and the access to a body that can lobby locally. As a business we have also found entering the Chamber awards beneficial for developing the business and helping raise our profile.

Park View Business Centre - Peter Beckett, Director

Park View Business Centre recently held a networking event for the Chamber and we were delighted with the turn-out and overall engagement of the record-size attendance. It was terrific to work together on making this event such a success.

YMCA Crewe - Mark Hills, Chief Executive

It's really great as a charity to network, gain support and learn from other local organisations how we connect, collaborate and provide services for the local people of Crewe and surrounding area. Being a SCCC member has helped YMCA Crewe to extend our reach and increase the impact of our work.

Cheshire Business Coaching - David Christie, Business Coach

South Cheshire Chamber has been a vital part of growing my business. The team is nothing but helpful and supportive and have taken the time to signpost me to several resources when I've asked for guidance. I've already used them for Legal and Tax advice which is all part of the membership. Also through the regular networking and business support events it's introduced me to many wonderful local businesses and enabled me to build a strong network which has led to new clients.

Neon Freight - Ian Mallon, CEO

We (Neon Freight Ltd) have been members of the SCCC for a few years now. They have always been a very friendly group of people to work with. The regular events are well attended and they are keen to get the most out of the chamber for you! Recommended for sure.

Crewe Town Board

In 2020 Crewe was allocated up to £22.9m of funding through the government's Towns Fund. Crewe Town Board made up of representatives from the community, public, private and voluntary sectors was established to manage the Towns Fund bid. The Chamber's Chief Executive Paul Colman sits on

the Board, representing the business community.

A package of 10 projects were chosen by the Board to benefit from the funding. The projects focus on community spaces and connected places, town centre regeneration, and culture and heritage examples include a future high streets project, Crewe Youth Zone and Pocket

Parks in Crewe and improvements to the Cumberland arena. In addition to overseeing and monitoring the projects chosen for funding the Board recognises the importance of ensuring everyone works together to achieve the same vision for Crewe and the wider area.

Crewe Rail Forum

Crewe Rail Forum has formed to help maximise the potential of Crewe as the country's central hub of all things rail.

South Cheshire Chamber of Commerce has helped to establish a Rail Forum for Crewe that includes local businesses, rail operators, infrastructure management and suppliers.

The Forum, powered by the Chamber, aims to facilitate communication, cooperation, and coordination among

various organisations, authorities, and individuals involved in the rail sector in Crewe.

The Forum aims to:

- Provide a unified voice for the Crewe rail industry when engaging with governmental bodies and regulatory authorities.
- Identify challenges and opportunities within the rail sector and develop actionable solutions.

- Engage with the local community and address their concerns regarding rail-related matters.
- The Forum is meeting regularly. Findings will be shared among Chamber members. Speak to the Chamber about getting involved.

LSIP – Local Skills Improvement Plan

The Cheshire & Warrington Local Skills Improvement Plan (LSIP) has been approved by the Secretary of State in line with the approval criteria set out in the Skills and Post-16 Education Act 2022, and in accordance with the LSIP Statutory Guidance. It has been developed to ensure that employers' most pressing skills needs are reflected within the local skills system.

The Cheshire & Warrington LSIP aims to support employers in articulating their skills needs whilst brokering links with Post-16 technical education and training providers and shaping current and future provision.

The Cheshire & Warrington LSIP focuses on five key themes: Technical Skills; Accessibility; Employability Competencies; Careers, Education Information Advice and Guidance; and Educational Professionals.

To address the priorities set out in this LSIP, we have developed a Roadmap which sets out the key actions that need to take place. Through this we have identified key partners to help take forward the key actions; methods that can be used to monitor progress; barriers to achieving the priorities; and key activities that can support achieving the priorities.

We are looking for local businesses to help deliver real change in post-16 education,

following the priorities within our Local Skills Improvement Plan Roadmap.

We are currently arranging working groups to ensure that the skill requirements of local businesses are being taught to the local workforce of the future.

The working groups will focus on the following sectors: Manufacturing (including Engineering and Supply Chain), Health & Social Care, Life Sciences, Digital, and Low Carbon (Green skills). Even if you don't represent one of these sectors but would still like to take part, please email LSIP@sccci.co.uk

HS2

Since the Government announced that high speed rail was coming to Crewe, South Cheshire Chamber has worked collaboratively with local businesses, local and national government officials, and other stakeholders to support and secure the major infrastructure project. Therefore, it was tremendously disappointing that the Prime Minister decided to cancel the HS2 Phase 2a

Birmingham to Crewe leg and Phase 2b Crewe to Manchester leg.

While HS2 project has been cancelled, the Chamber will continue to lobby the government directly and through the British Chambers of Commerce Network for the capacity and capability of our rail network to be improved. The country needs more capacity in its rail network to alleviate the strain on the west coast mainline and allow more freight to move

up and down the country.

In terms of lobbying, the chamber liaised with relevant government bodies, such as the Department for Transport, Members of Parliament, and local authorities. Additionally, the South Cheshire Chamber has collaborated with other chambers, business associations, and advocacy groups to form a united front in advocating for HS2.

The Young Members Network is designed for young professionals / apprentices who want to enhance their skills, build their confidence, and network with like-minded individuals. The Young Members Network is supported by Cheshire and Warrington Pledge.

Our sessions cover a range of essential workplace skills which will benefit any young professional building their career. Learn how to network effectively, master the art of public speaking, hone your interpersonal skills and much more with the Young Members Network.

Our specialist facilitators are passionate about helping young professionals like you develop your skills, grow your networks and help you achieve your goals.

If you are interested in booking yourself or somebody else onto the Young Members Network please get in touch with Dominic Hibbert. Dominic.hibbert@sccci.co.uk

The South Cheshire Chamber introduced the Leadership Insights in 2023 due to a demand from our members for a safe space to speak about certain topics affecting their business.

With Leadership Insights on HR and Cyber Security already established, 2024 will see the launch of our Health & Wellbeing Leadership Insight.

The HR and Cyber Security forms this forum provided a unique opportunity to share best practice with like-minded individuals and stay up-to-date on the latest trends and best practices.

Our quarterly Leadership Insights have filled the need for peer-to-peer discussion. Giving representatives from our Executive Members and up the opportunity to talk freely about their business.

Don't miss this chance to gain new perspectives, build lasting relationships, and take your skills to the next level! Register now for Leadership Insights.

The South Cheshire Chamber Business Surgery, in partnership with Cheshire Business Coaching, is an exclusive set of monthly events designed to empower our members with essential knowledge and provide an interactive platform for insightful discussions.

Every month, our members can access guidance in crucial areas of business support to fuel their growth ambitions and propel their business forward. Each session will include a workshop, and an open forum to ask questions.

The most recent Business Surgery focussed on Planning For 2024. Participants at the event learned about the significance of creating SWOT analyses, goal plans, received a tracking document related to their goals and much more!

The Fresh Network is a remarkable not-for-profit, referral-driven networking group for Cheshire businesses. It offers more than just networking; joining The Fresh Network means becoming part of a supportive community that is passionate about collaboration and mutual growth. Our members come from a variety of industries, providing a diverse pool of expertise and resources to tap into.

Sessions start at 7am so that you don't have to take time away from running your business. A range of breakfast and drink options are provided. You will introduce yourself and your business to the group with a 60 second pitch and each week, one business will be given the opportunity to present on their business for 10 minutes followed by a Q&A.

We encourage members to share referrals and express gratitude to those who have made a difference in their business journey. This highlights the strength of the referral-based approach to marketing where mutual growth is encouraged.

Over the past year we have achieved a significant reduction in Business Rates for 10 units in Crewe. We have assisted new tenants in securing leases in the town with further proposals ongoing. We have worked with Cheshire East in launching the Repurposing of the High Street Grant, assisting in developing the scheme with assistance provided for 2 grants so far and two more in the pipeline. We continue to have on the ground representation in the town centres of Crewe and Nantwich in promoting retail businesses in what are clearly difficult economic times.

Jubilant winners of the South Cheshire Chamber Business Awards 2023

SOUTH CHESHIRE CHAMBER AWARDS 2023 HAILS ITS 'BEST IN BUSINESS' AT SELL-OUT AWARDS CEREMONY

Excellence across a wide range of sectors was celebrated in style at the 26th South Cheshire Chamber Business Awards.

The Awards shone the spotlight on talented newcomers to the business community as well as the major employers and growing firms which contribute to the area's economic growth.

Winners in 10 different categories picked up awards before an audience of more than 250 guests, entrepreneurs and civic dignitaries at Reaseheath College.

The newly-launched Ambassador of the Year, The 'People's Choice Award' showcased local excellence and proved popular, prompting over 1000 votes. Winners were Jo Jo's Day Nursery in Crewe which has provided highly-rated childcare since 2015.

International Trader of the Year was won by Crewe-based Viz Reflectives which specialises in reflective products, including glow-in-the-dark workwear for Royal Mail workers and firefighters in Australia and Brazil.

Business of the Year (25 plus employees) was picked up by Nantwich company Platinum Construction (North). Proving a true local success story, the firm founded in 2020 and scooped the Chamber Start Up Business award only last year.

Business of the Year (under 25 employees) was carried off by The Nantwich Clinic in Stapeley where a state-of-the-art health hub provides a full range of wellness services including podiatry, body treatments and nutrition as well as cosmetic enhancements.

Employer of the Year was Nantwich-based Boughey Distribution, founded in 1964 and now with a fleet of 144 vehicles and 320 trailers serving major retailers such as Tesco, Aldi and Sainsbury's.

Start Up Business of the Year was KR Fleet Solutions in Crewe, a family-run company specialising in vehicle leasing while Apprentice of the Year was Leanne Read of 'air, sea and road' logistics firm Neon Freight in Knutsford.

Picking up the Excellence in Customer Service award was Kindertons

Accident Management in Crewe while Excellence in Collaboration, recognising successful partnerships, honoured Safe Opportunities in Crewe which provides employability programmes for young people.

Alpha Omega Women, Peace and Security (WPS) Foundation, an organisation campaigning for the safety of women and girls, won Contribution to the Community after a busy year in which it has opened a base on Crewe Business Park.

A surprise presentation was made to Doug Kinsman of SG World for his contribution to the success of Crewe Town Board. Doug, the former Chair, has recently handed over the reins to Tony Davison, a director at Crewe Alex FC.

Chamber President John Dunning paid tribute to all winners and finalists.

Chamber President John Dunning welcomes a sell-out audience to Reaseheath College

“The Awards give us the opportunity to showcase the excellent range of businesses and talented array of individuals that we have in South Cheshire.”

“It also demonstrates the tremendous determination and resilience of the business community in adapting to the difficult and challenging times that we find ourselves in at present.”

Award sponsors and supporters included big names such as Assurant, Bentley Motors, Hibberts LLP, Cheshire College South & West, Cheshire Connect, Department for Business and Trade and Reaseheath College as well as previous winners Construction Linx, Hydraulics Online, KPI Recruiting and Rhino Safety.

Chamber Chief Executive Paul Colman added:

“South Cheshire has firms of all sizes, operating in a wide range of industries, all forward-thinking, energised and delivering excellence locally nationally and internationally. The awards allow us to celebrate their resilience, innovation and sheer hard work.”

The night was compered by Gary Johnson of Cat 107FM and there was much excitement among finalists and guests to share selfies using #SCCBA23

Other support came from Reaseheath College hospitality, Afford Bond Chartered Accountants, Studio One photography and Jan Roberts, Pure PR in Nantwich.

Award categories and winners were:

- International Trader of the Year: Viz Reflectives, Crewe
- Contribution to the Community: Alpha Omega WPS Foundation, Crewe
- Apprentice of the Year: Leanne Read, Neon Freight, Knutsford
- Excellence in Customer Service: Kindertons Accident Management, Crewe

British Chambers of Commerce

We represent and campaign for business.

Our foundations are local, our influence is national and our reach is global.

We're owned by, and work for, a network of Chambers of Commerce that champion and support our members all across the UK and in countries and markets around the world.

Our unique perspective gives us unparalleled insight into British business communities – every sector, every size, everywhere.

They trust us to be their advocates, and we're passionate about helping them trade and grow.

Working together with Chambers, we drive change from the ground up – and our bottom line is helping companies, places and people achieve their potential.

Mission, Vision and Values

Mission

The core mission of Chambers of Commerce is to:

- Give business communities a voice
- Help them trade locally, nationally and internationally
- Bring companies together through membership
- Work to make the place where they do business better

The BCC mission derives directly from the mission of our Chamber Network:

- Represent, and campaign for, the interests of Chambers and Chamber members – the BCC's access to the highest levels of government and strong media profile allow us to secure change for business.
- Add value to the Chamber Network – collaborating with partners to provide Chambers and their members with insights, products and services that strengthen their local business community.
- Operate sustainably to ensure we can continue to deliver for our stakeholders – securing and developing new sources of income and managing our cost base.

Vision

Together with Chambers and their members, we are building a BCC that delivers:

- Profile, respect and influence for Chambers and the Chamber brand
- A dynamic and sustainable Chamber Network with global reach
- Trusted support to Chamber business communities

Values

The BCC culture is made up of the values, beliefs and attitudes that drive how we behave with each other, in the workplace, with the Chamber Network, and with all our stakeholders.

Purpose

We are passionate about Chambers and business

Excellence

We deliver great performance

Trust

We believe in each other, and what we're working to achieve together

Care

We always treat people as we would like to be treated

Resilience

We are smart, ambitious, solve problems and seize opportunities

Our Three-Year Plan: 2023 - 2026

Why We Exist

Strong Chambers. Thriving businesses. Delivering for communities.

Who We Are

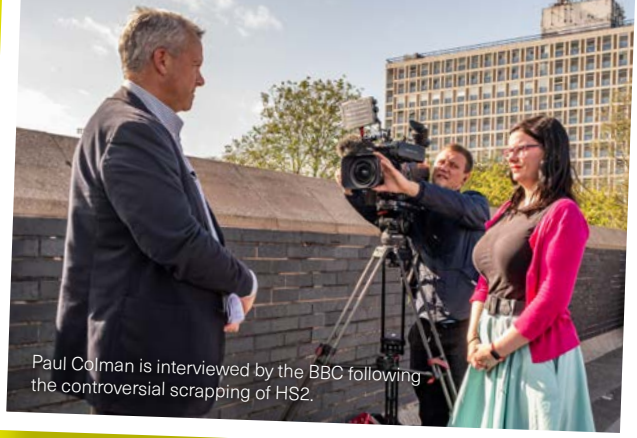

We support and connect business, whilst representing their voice. Through our Network of Accredited UK Chambers and over 75 markets internationally, we're rooted in local insight, influence national policy and have global reach.
