SOUTH CHESHIRE CHAMBER PATRONS

JOHN DUNNING
 President

President's Introduction

It has been a pleasure to once again serve as your President over the past year.

Although the role of President is largely an Ambassadorial one and does not require me to get involved in day to day operational activities, there are a number of duties that I am required to undertake, such as representing the Chamber at the British Chambers of Commerce Regional Assembly, attending local events such as the Nantwich Show, the Nantwich Food Festival, the Remembrance Day Service, the Chamber Business Awards and of course chairing the AGM.

In addition, I am expected where necessary, to be on hand for the visits of Government Ministers, MP's or other dignitaries plus the odd radio interview.

Perhaps the most important duty however, is as Chairman of the Chamber's Business Council which comprises of the areas larger employers, Further and Higher Education establishments, Cheshire East Council, the Crewe Town Board and Crewe Town Council.

It meets every six to eight weeks and its purpose is to play a leading role in shaping future economic strategy by providing focus from a business perspective in order to influence investment decisions that will achieve sustainable economic growth.

There have been a number of significant changes over the past year not least of all political changes at National and Local level with a new Government, new MP and a new Council Leader. I can assure you that the Chamber will ensure that we make the most of the opportunities and challenges that this may bring by working closely with these important partners.

John Dunning

ROBERT PARTON
 Chair

Welcome From Our Chair

After many years as a Chamber member, I was delighted to accept the role of Chamber Chair, succeeding the inspirational Diane Wright.

Indeed Diane is a hard act to follow. She was a big help to me when I first joined the Chamber Board two years ago and was always a sage voice in the room. I am honoured and hope to do the role proud.

One of my first tasks as Chair was a truly joyous one – to welcome guests to the Chamber Business Awards 2024. A tremendous occasion, you will read more about the winners in this annual review. Their backstories are often a shining example of triumph over adversity – indeed we will need to dig deep now.

My new role comes at a time when our local business community is faced by formidable hurdles. The budget changes and proposed employment legislation will present challenges but be assured, the Chamber remains a strong voice, lobbying on behalf of area's employers and their workforces, at national level.

As for so many reading this, the Chamber has allowed me to meet people face-to-face to build strong business relationships locally. We have a common goal, and share insights and a talent pool of expertise. In my view, the Chamber remains the best locally-based trade body for networking, lobbying locally and nationally and increasingly for business training needs. In short the Chamber is an organisation with powerful voice, heard at every level.

And then of course, there's you. Your passion and drive to succeed has seen South Cheshire fend off one recession after another and bounce back after a world pandemic. Whatever the challenges of 2025, we'll get through them as a united voice #strongertogether

PAUL COLMAN
Chief Executive

Welcome from the Chief Executive

As Chief Executive of South Cheshire Chamber of Commerce, I am delighted with this year's annual review and reflect on a period of significant growth and change for our organisation and the businesses we support.

The past year has seen South Cheshire Chamber become the fastest-growing Chamber of Commerce in mainland UK. This growth is not simply a measure of our success but a reflection of the vibrant and diverse business community we are privileged to represent. It highlights the value that businesses across the region place on coming together to share knowledge, build networks, and create opportunities.

At its core, a Chamber of Commerce exists to support its members in navigating the challenges and opportunities of running a business. Whether by providing tailored advice, creating spaces

for collaboration, or championing the needs of local businesses with policymakers, our role is to help businesses succeed in an ever-changing environment.

Being part of the Chamber means being part of a network that works together to achieve common goals—whether it's growing your customer base, exploring international markets, or contributing to the economic strength of our region. We understand the pressures businesses face and strive to provide practical, relevant support to help our members thrive.

As we look ahead, our focus remains on ensuring the South Cheshire business community has the tools, connections, and confidence to succeed. We thank you for your continued trust and partnership, and we look forward to building on the successes of the past year with all of you.

REPRESENTATION

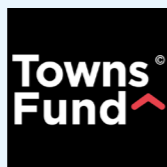

The Chamber liaises and works with the following institutions

Bank of England

Enterprise Cheshire + Warrington

Tafco Ltd

"It is wonderful to be part of South Cheshire Chamber of Commerce & Industry. We pay £35 per month with no joining fee. The event planning is fantastic and such good business. The Chamber staff are always willing to chat through stuff."

Cheshire Cars

"In today's ever changing business world you need up to date information. The Chamber provides this through face to face networking meetings with other local members and businesses, but also in news and updates through email and the hard copy magazine. The team do their utmost to ensure all members are included."

Hope4more

South Cheshire Chamber of Commerce continues to impress us here at Hope4more. It's really become the central networking group for us over the last year – almost all the members of any other networking group that we've been involved in are present at SCCCI. The events that we have attended have been extremely well run and valuable to us, and the diversity of membership, passion and openness of the members and the SCCCI team have helped us to increase the reach and impact of our service to young people across the area.

Safe Opportunities

"We have been a member of South Cheshire Chamber of Commerce for eight years. All the team there are helpful and very supportive and keep us updated with all local business news and events. We have made many great connections with other employers who have helped to support our students. In 2021 and 2023 we were winners at the annual business awards, which has helped to strengthen our reputation and share our commitment to supporting vulnerable young people on their journey to paid employment."

Neon Freight

"We have been members of the SCCCI for a few years now. They have always been a very friendly group of people to work with. The regular events are well attended and they are keen to get the most out of the chamber for you! Recommended for sure."

Sales Geek

"Sales Geek is a relatively new business in the area and being part of SCCCI has been instrumental in building our local network through their regular events and introductions. If you're a business in South Cheshire who isn't a member and is considering joining, I strongly recommend you do."

Alcoholics Anonymous

"AA has been a very satisfied member of South Cheshire Chamber for over a year now. We have been involved with other Chambers, but find South Cheshire to provide the most well organised in terms of facilitating employer networking and support e.g via its Final Friday and Speed Networking events. Staff are friendly, approachable and helpful – a great help to AA in its primary objective of reaching out to the suffering alcoholic."

Crewe Town Board

In 2020, Crewe was allocated up to £22.9 million in funding through the government's Towns Fund, marking a significant opportunity to enhance the town's future. To oversee this initiative, the Crewe Town Board was established, bringing together representatives from the community, public, private, and voluntary sectors. The Chamber's Chief Executive, Paul Colman, proudly serves on the Board, ensuring the voice

of the business community is well-represented.

The Board selected a package of 10 transformative projects to benefit from the funding. These projects focus on key areas such as community spaces and connectivity, town centre regeneration, and celebrating Crewe's culture and heritage. Highlights include the Future High Streets project, the development of Crewe Youth Zone, the creation of Pocket Parks, and

significant upgrades to the Cumberland Arena.

Beyond overseeing and monitoring these projects, the Board emphasises the importance of collaboration. By aligning efforts across sectors, it aims to deliver a unified vision for Crewe and its surrounding areas, ensuring these improvements benefit the entire community and drive lasting change.

Crewe Rail Forum

The Crewe Rail Forum has been established to unlock the full potential of Crewe as the nation's central hub for all things rail. Spearheaded by South Cheshire Chamber of Commerce, the Forum brings together a diverse network of local businesses, rail operators, infrastructure managers, and suppliers.

Powered by the Chamber, the Forum serves as a platform to enhance communication, foster collaboration, and align efforts among stakeholders in Crewe's rail sector. Its key objectives include:

- Acting as a unified voice for the Crewe rail industry in discussions with government bodies and regulatory authorities.
- Identifying challenges and opportunities within the rail sector and driving practical, innovative solutions.
- Engaging with the local community to address concerns and ensure rail developments benefit residents and businesses alike.
- Promoting careers in the rail sector and collaborating with educational institutions to address skills requirements and prepare the future workforce.

The Forum meets regularly to discuss progress and share insights. Findings and updates will be communicated to Chamber members. If you're interested in getting involved, contact the Chamber to learn more about this exciting initiative.

UKSPF - UK Shared Prosperity Fund

Over the past year, South Cheshire Chamber of Commerce, in collaboration with North Cheshire Chamber of Commerce and East Cheshire Chamber of Commerce, has supported over 1,000 delegates through 30 engaging events. These initiatives, designed to empower businesses across the Cheshire East area, are tailored for start-ups, micro,

small, medium enterprises, and the self-employed.

The programme, funded by the UK Shared Prosperity Fund, is now nearing its conclusion, with most sessions successfully delivered. Only a limited number of events remain, scheduled for early 2025, offering a final opportunity for businesses to

benefit from these invaluable workshops. We encourage local businesses to take advantage of these final sessions to gain essential insights and support for growth. You can view the remaining masterclasses (<https://www.tickettailor.com/events/cheshireeastchambers>) mutual growth is encouraged.

Fresh Network

The Fresh Network is a remarkable not-for-profit, referral-driven networking group for Cheshire businesses. It offers more than just networking; joining The Fresh Network means becoming part of a supportive community that is passionate about collaboration and mutual growth. Our members come from a variety of industries, providing a

diverse pool of expertise and resources to tap into.

Sessions start at 7am so that you don't have to take time away from running your business. A range of breakfast and drink options are provided. You will introduce yourself and your business to the group with a 60 second pitch and each week, one business will be given the opportunity

to present on their business for 10 minutes followed by a Q&A.

We encourage members to share referrals and express gratitude to those who have made a difference in their business journey. This highlights the strength of the referral-based approach to marketing where mutual growth is encouraged.

Executive Insights

The South Cheshire Chamber introduced the Executive Insights last year due to a demand from our members for a safe space to speak about specific topics which were affecting their business.

As our Cyber Security and HR Forums were already established in 2023, 2024 saw the introduction of our Health & Wellbeing

Executive Insight. A quarterly forum which took a data-led approach, giving business leaders the best tools to support their people while providing a unique opportunity to discuss and assess their own workplace against key wellbeing metrics. Following the success of Executive Insights, we are pleased to announce that two more topics are going to be introduced for 2025; 'Grow

Your Business', and 'Meet the Leader'. Our monthly Executive Insights have filled the need for peer-to-peer discussion. Giving representatives from our Patrons, Premium, and Executive Members to talk freely about their business.

Don't miss this chance to gain new perspectives, build lasting relationships, and take your skills to the next level.

Vehicle leasing firm KR Fleet Solutions, Crewe won Business of the Year (under 25 employees), Cheshire Business Coaching Start Up Business of the Year and Stroke Survivors Speech and Language Support

Ambassador of the Year, recognising businesses and organisations that put South Cheshire on the map for excellence, went to a museum for the first time. Nantwich Museum, founded in

1980 in a Victorian library, was honoured for its role as a busy visitor attraction and venue for many fascinating exhibitions.

All winners stepped on to the podium to the cheers of a sell-out audience in the hotel's event centre.

Chamber Chief Executive Paul Colman congratulated them saying:

“The awards are an opportunity to celebrate inspirational leadership, exceptional vision and brilliant customer service across a wide variety of sectors. Indeed, South Cheshire is truly blessed with an abundance of business talent and it has been our pleasure to showcase all that the area has to offer over a phenomenal 27 years.”

The Chamber's new Chair, Robert Parton, owner of Aqueduct Marina near Nantwich, added:

“The Marina has been the proud recipient of several Chamber awards over the years and I know the joy it brings to the whole team. Tonight was another opportunity to celebrate the area's cream of the crop, brilliant businesses and people working hard to back the area.”

Speaking of the budget, he added:

“We have a resilient business community that has withstood recession and bounced back post pandemic. The budget changes and proposed employment legislation will present new challenges but the Chamber remains a strong voice, lobbying on behalf of area's employers and their workforces, at national level.”

The awards attracted a range of high-profile sponsors including Assurant, Bentley Motors, Cheshire Connect, Cheshire College South & West, Construction Linx, Crewe Hall Hotel & Spa, Hibberts LLP, KPI Recruiting, Nantwich Town Football Club, Reaseheath College and University Centre, Rhino Safety and WR Partners.
